Dear Stuart,

I have attached one more document, which has excerpts from documents already public. We can give you context when we talk about this in a few minutes.

Lily

Dear Stuart,

Welcome back! I just added two attachments and I also added an Adobe Connect link:

We wanted to check in with you about some HQ policy questions. Would this be a convenient time?

Ex. 6 Personal Privacy (PP)

Unlike many other conference call systems, on this one, do not hit “#” or any other symbol after entering the number. It will hang up on you. Also, it will hang up on you if you enter the numbers too slowly.

In addition, here’s a webinar line in case that is useful. Just log in as “guest” and you should not need a password or anything like that:
